To: Lauer, Kenny

Kenny, please wait. I still have to update my allocations as quanitites have changed.
Thanks. Nicki

Hi folks,

Just wanted to let you know that I changed the Basic Mechanics promotion back to Concept PA so that Nancy could add Kit information. As we are all growing on this system, sometimes special procedures are necessary. It will be changed back to Concept Approved today. Please do not make any other changes to it while it is in this stage.

Kenny
